N.Z. All Blacks Visit Altona North Tech.

All Black Alan Sutherland has the full attention of aspiring rugby players Martin Xerxen, Charlie Scerri, Barry Hawkbridge, Kevin Brown, David Campbell, Matti Keranen, Ross Ritter and Groome Richards, as he explains some finer points of the game.

The visit of two of New Zealand's world beating All Blacks rugby team to coach boys at the Altona North Technical School last Friday afternoon is an unheard of occurrence from international players of such standing.

New Zealand's All Blacks are THE Rugby Union team of the world.

This side includes members of the mighty Sixth All Blacks whose army-like assaults on the rugby field swept them undefeated through Canada, Britain and France in 1967.

So far on their Australian tour they've easily won their four matches. Last Saturday they crushed the Victorian team, 68-nil.

The offer of the All Blacks to go in pairs to coach at Victorian schools left local officials thunderstruck.

Alan Sutherland, ruck player and another member of the All Blacks met the Altona North Tech. boys and the St. Paul's College boys on the oval at Australian Carbon Black.

For an hour and a half approximately 50 wide-eyed boys listened attentively to every word uttered by the coach and their eyes never wavered from the actions of the stars.

Altona North School To Be Extended

Eight extra classrooms are to be erected at the Altona North State School in the near future.

Last month Cr. A. W. Knight, MLC, learnt of the planned extensions from the Minister for Education.

DARTS — State Titles for Altona

This weekend the Victorian Darts Association will be conducting the State titles at the Altona Working Men's Club for the singles, doubles and team championships on the following days:

Saturday, Singles Championships, 10 a.m.-5 p.m.; Sunday, Teams Championships, 10 a.m.-10 p.m.; Monday, Doubles Championships, 10 a.m.-4 p.m.

Interest will be centred around Harry Howells and John Nicholls (Melbourne League) in the doubles event to see if Harry can "pull off" his fifth consecutive doubles title.

It is anticipated the championships will officially be opened by the Shire President, Cr. H. W. Lee.

In the singles event the current State singles champion and State singles champion of champions, Jack Davies (Mountain League) will be defending his title against all the former holders of the title in: 1964, Alan Easton, Western Suburbs; 1965, Ron Bailey, Western Suburbs; 1966, Eddie Gummer, Mountain League.

The teams event should prove very interesting as Mountain, the current title holders, will be attempting to equal Western Suburbs' record of winning twice in succession.

Previous winners were: 1964, Western Suburbs; 1965, Western Suburbs; 1966, Mildura; 1967, Mountain League.

All in all a good weekend of darts is assured.

Overseas Honeymoon for Miss Altona

A world tour prize won by Angela Morgan, Miss Altona 1967 who went on to win an Australian title, has become a honeymoon trip following her marriage to Mr. Craig Fergus at Holy Trinity Church, Williamstown, last Saturday.

Angela won the Miss Altona Quest last October, and was selected to represent Victoria in the nationwide Miss Apex Quest judged in Sydney.

She won the national contest and the prize of an overseas tour.

At the time she was engaged to marry Mr. Fergus. Following their marriage last

Saturday the couple sailed on Sunday on the "Australia" via the Panama for England on the first stage of the tour prize.

Visits to Spain, Switzerland and Germany are planned before their return via Africa next March.

The bride is the elder daughter of Mr. and Mrs. John Morgan of Cleghorn Avenue, Al-

tona North, and the groom the only son of Mr. and Mrs. H. Fergus of Essex Street, West Footscray.

For her marriage Angela wore an Empire line gown of Swiss cotton shantung with guipure lace motifs covering the skirt and bodice.

Guipure lace motifs held in place her full length embroidered veil.

She carried a white prayer book with a trailer of orchids.

The prayer book was a gift from her grandparents in England. Mr. and Mrs. E. Willis, with whom the couple plan to stay.

Bridesmaids were the bride's sister, Lynda, and the groom's cousin, Pamela Mitchell.

They wore pale blue teteran crepe empire line frocks trimmed with blue guipure lace and carried posies of white azaleas.

Best man was Mr. Michael Smith, groomsmen Mr. Barry Simpson and usher Mr. Neil Worboyes.

The bride's mother wore a navy and white shantung ensemble and the groom's mother a bronze velvet suit.

At the reception at Ascot House, congratulations and best wishes were read out from relatives in England and Japan.

THE DROUGHT IS OVER

Tree losses from the drought in Altona were very few. Reserve areas have been almost unaffected, the Shire Engineer reports small ill effects except on certain concrete work.

At the onset of the dry, plans were put into effect giving preference to the saving of young trees. Three water carts were in constant use — concentrating on trees only.

Some young trees died, but considering the circumstances the results were good.

All the Reserves have recovered well. In most cases the grass is coming good. Some areas near goal posts are bare.

In these places the top soil, disturbed by training activities, has blown away. The Civic office area shows absolutely no signs of any drought. The lawns in the Library were however too young to stand the conditions.

Some damage to concrete work has been caused by the uneven contraction and expansion of soil, particularly in clay situations.

It is gratifying to note that throughout the Shire most trees are now looking at their best.

Thanks are due not only to Mr. R. C. Simmons and his staff but also to householders for their occasional bucket of water.

POSTAL LETTER RECEIVERS

The P.M.G. recently installed a postal letter receiver at the corner of Noordenne Avenue and Millers Road, Seaholme.

In a recent conversation with the Shire Secretary, Mr. J. W. Waters, an Officer at the PMG explained that in the near future the letter receiver box at the corner of Stirling Avenue and Millers Road will be moved to a site in Gloucester Court near the shop, whilst another letter receiver will be installed at the shops at the corner of Civic Parade and Millers Road.

New Dog Ranger Quickly On The Job

A new dog ranger was appointed for the Shire of Altona on Thursday of last week.

His first victim? A dog belonging to Paul Weaver, son of Altona Councillor Harry Weaver.

Cr. Weaver spent Friday morning bailing the dog out of the pound.

LAVERTON HIGH TENDERS CALLED

The Education Department proposes to build a new High School in the Laverton Heights area.

Cr. A. W. Knight advises that this school which has a high priority will relieve the Laverton North school of accommodation problems being suffered at the present time.

The tenders are now being called for the erection of Stage 1 of the High School by the Public Works Department.

The Laverton High School is of a new type which is commonly referred to as the 800 or the quadrangle type. This will be the first instance of this new type of school to be built in the Melbourne West area.

Debs Wanted

St. Eanswythe's Church of England, Altona, is arranging this year's Debutante Ball for Friday, August 16.

Girls are invited to join the debutante set, for which training will begin in June.

Inquiries are invited with Miss P. Nevitt (398-1114).

EDITORIAL

A WORTHY CITIZEN

Altona people agree that the Council's tribute to Mrs. E. Roach was most fitting. She has well served the community and the hospital in an unpaid capacity for two decades (a unique record). The appreciation of the Shire President, Cr. H. W. Lee, is echoed by many.

Mrs. Roach has proved herself a worthy citizen. Through Cr. Lee the community says thank you now.

We also agree that there is a need for other such meritorious service to be brought under the notice of the President of the Shire.

We know of at least three organisations who appear to be favoured with individuals who have given long and outstanding service. But we will not name them.

We think that should be the prerogative of each organisation.

That does not exactly mean that the Shire President should be inundated from various clubs or committees for recognition of their stalwart.

It could mean that each Altona organisation could be allowed say, once a year to place on record at the Civic office the name of the member it thinks worthy of civic honour.

There are those like Mrs. Roach who come what may will always continue to do their utmost. But there are others who are doing well but are becoming weary in well doing.

To all of them (being human) a sign of appreciation, a word of thanks will be water in a thirsty land.

WINTER FLOWERS

June and July are the two months of the year when flowers are scarcest.

Few shrubs and not many other plants are in flower during this period.

For those of you who would like to see a few flowers in their garden at this time, here is a variety to keep in mind.

The first one that is a must is the Camellia. Next there is the Azalea. Like the Camellia, Azaleas do best in a cool position.

Erica flowers very freely through autumn and winter, with bright lavender flowers. Erica "Melanthra" is one of the brightest attractions in the garden during this period.

"Athonna," one of the daisy-flowered shrubs which blooms freely through winter producing large quantities of yellow flowers, better quality flowers, and a more compact shrub will be obtained, if the past year's growth is shortened back after flowering each year.

"Luculia Gratissima." This is one of the most attractive flowering shrubs for the garden, producing large trusses of sweetly scented, pink coloured flowers during winter. It must be grown in a sheltered place, where it will receive protection

from both frost and intense heat. The "Luculia" should be cut back fairly hard immediately after flowering otherwise it will quickly deteriorate.

The "Cydonia" or commonly known as flowering quince, red, white and pink in colour, which flower in winter. They produce very good cut flowers. If the stems are cut while the flowers are still in the bud stage the flowers open fully and last so much longer.

The "Marguerite." There are many attractive varieties of this hardy winter flowering shrub. White, yellow and pink appear to be the most popular. They make an ideal cut flower and will grow into a rather large spreading shrub so need plenty of space to spread out. It is very useful for an open corner that may need filling.

"Daphne." One reason why the Daphne is so eagerly sought after is that it flowers in winter. Its strong sweet scent and attractive flowers of red and white strongly appeal to all home gardeners.

Driver Fined for "Cutting In"

Jamie Francis Pelly of Braybrook was charged with driving in front of a car he overtook before it was safely clear to do so. He pleaded not guilty.

Constable Ian Hood told the Court he saw Pelly in a line of traffic in Nelson Place, Williamstown on October 5, 1967 overtake about 12 cars. A car was stationary in the middle of the road to make a right-hand turn.

Pelly was on the wrong side at this time and to avoid the car in the middle, put his left blinkers on and cut in front of a car whilst moving to the left.

Traffic was very thick at the time, with the cars from the dockyard.

Pelly told the Justices of the Peace, Mr. F. Lovegrove, Mr.

M. Robertson and F. Dann that the traffic was very thick. He could not stop because of the flow and had to keep going. To avoid a car in the middle of the road he had to move over to the left. It was that or have a head-on collision.

He was fined \$10.

Emmanuel Mifsud of Mitchell Avenue, West Newport was fined \$100 for being an unlicensed driver and \$10 for having no brake lights on his car.

First Constable L. Smith of the Mobile Traffic gave evidence that in North Road, Newport on October 7, 1967 he saw Mifsud's car and noticed the brake lights did not work.

He stopped him and asked for his licence. The only licence Mifsud had was one in Malta, and he could not speak very good English.

LOCAL TEACHER STUDIES TEACHING OF ENGLISH AS ANOTHER LANGUAGE

Miss Susan Orr, of Altona North High School, is one of a select group of teachers who attended Victoria's first workshop on the teaching of English to migrant children.

At Altona North High Miss Orr has already had considerable experience in taking special groups of children in difficulty in their classrooms because they had little fluency or understanding of English.

Now, after some days away, she has returned to her task with new insight into her highly specialised work.

She is one of a group of 12 Victorian teachers who have just finished special training in teaching English "as another language" to non-English speaking migrants.

The course, at Albert Street Brunswick Training School, has teachers from primary, high and technical schools with a large migrant intake. The course they have been taking was developed by the Education Department's Curriculum and Research Branch through Mr. Allen Humphries, who has been appointed Co-ordinator and adviser.

Although Australia's massive post-war migration began 23 years ago it is only in the past year that any great attention has been paid to the special problems of migrant children, at least at the official level.

The new interest began in April last year when the Victorian Teachers' Union directed attention to the urgent needs of migrant children, particularly in crowded inner-suburban and industrial areas.

The Victorian Council of School Organisations took up their cause, conducting a seminar on it; on June last year the Education Department began a special course at a high school, and in November Mr. Humphries was appointed to make a special study of the problem.

In devising this course he has been helped by an expert committee of teachers from all three divisions of the service. The course has been specifically designed for children aged between 8 and 15, coming from homes where another language is spoken. It seems to stimulate migrant children in the fluent use of the Australian idiom, spoken with clarity, rhythm and intonation.

The committee began by drawing on the wide experience of many individual teachers who had developed their own methods of teaching migrant children.

It drew upon the experience of teachers of adult migrants in night classes conducted by the Migrant Education Service — a field in which Mr. Humphries himself has served for many years as an advisory teacher.

Reference was also made to studies and results in Canada and other places.

The course has been designed for flexibility; to adjust to the needs of the children being taught.

Teachers are to pay particular attention to the first language of their children, and to learn where the basic sounds of that language do not correspond with ours.

This is why we find Italians in confusion over our words like "met" and "mat". Having no short "a" in Italian, their ears do not pick up this sound, and so they fail to hear the difference.

This tendency is corrected by practice in both hearing and repeating this and similar matched pairs of words.

Other languages also present the same problems: Greek has no "ee" sound, and the Dutch find great difficulty with our "th".

A special feature of the course is the way it has been built around names and cultural situations familiar to the major migrant groups.

As well it takes children into special situations, such as a visit to a milk bar to buy things. This is to develop the use of our language in a way that will be directly useful to them outside of school.

Mr. Humphries will be taking further similar courses of in-service training for teachers of migrant children from other district schools in the near future.

He is also co-ordinating preparations for another course "Interim Course A" to guide teachers of migrant children at infant level — that is, from kindergarten to the age seven level.

And later this term he will again meet the teachers concerned in this week's seminar to discuss their progress and explore ways to improve the course.

MINISTER FOR TRANSPORT SPEAKS ON BOOM CROSSINGS

A press release received from the Minister for Transport (Hon. Vernon Wilcox, M.P.), gives some interesting information on boom crossings. It states:

"Following the very substantial traffic flow improvements which have come from the installation of boom gates, we will embark upon a 3 year plan to eliminate gate crossings and substitute booms and, at the same time, widen the crossings. This programme is entirely new and the Railways, Local Councils and the Government will share in providing funds."

Work is to begin on implementing this plan and it is anticipated that as many as 36 gate crossings will be replaced by automatic booms within the next 3 years.

The Railways will be the constructing authority for this work and they have a capacity to undertake the replacement of 10 to 12 crossings within the next 12 months.

Two thirds of the money for the work of installing the booms and normal widening of roadway will be available from the Government and the Railways — the other one third is to be found by the Local Council requesting the replacement of a crossing.

Studies by the Traffic Commission confirm that those boom gates already in operation have demonstrated clearly that the traffic flow on roads is greatly improved where this type of crossing is installed. The booms help speed up traffic in two ways.

Not only in waiting time for motor vehicles at railway crossings reduced to a minimum but the booms allow roadways to be appreciably widened and usually at least one additional traffic lane accommodated.

This plan has been put into action because the Government realises the ever-increasing need to avoid every possible hold up in the movement of traffic on our roads.

Considerable savings in costs and time will benefit the private motorists who regularly use these crossings. Operators of commercial goods vehicles and bus services will also benefit in costs and time.

The first of the projects under this new plan will be the installation of boom gates at the level crossing at North Road. It is expected to begin next month where construction work month.

House Connections

Procedure for the connection of single-storey houses to the Board of Works sewer system has been amended to provide a better and faster service for owners seeking consent to connect to the sewers.

The Board will, on application, issue copies of the block plan showing the position and depth of the point of connection to the sewer to enable the applicant to obtain alternative quotations from licensed plumbers of his own choice to carry out the work in accordance with the Board's by-laws and regulations.

House service design and inspection staff are located at district depots, and at the Board's head office in Melbourne.

When the work is completed an inspection will be made and a plan prepared for record purposes.

Square Dancing

Popular in Altona

Once again the numbers of dancers at the Youth Club Hall last Thursday night showed that square dancing is popular with the people of Altona.

As each week passes it is good to note the increasing number of people arriving at the word is spread around.

However, it is felt there are many who are not aware of this wonderful night of entertainment. Only time can rectify this situation.

Barry Atkins will soon be back, which will help to lighten the load on David's shoulders. David has been kept very busy calling practically non-stop, as well as teaching several of the harder dance sequences.

Saturday night is now a regular trip to the Caulfield Square Dance for many of the Altona crowd and there is even a corner of the hall practically reserved for them every week.

Dancing starts at 8 p.m. every Thursday night at the Youth Club Hall, Civic Parade, Altona. So dig out those dancing shoes, preferably rubber soles, and don't miss the Boston Two Step, Monte Carlo, the Pride of Erin, Blue Hawaii and Redwings, to mention just a few.

CANBERRA DIARY By Merv. Lee M.P.

Approximately 70 bills have passed through the House of Representatives this session, including the amendments to the contentious National Service Act, which is one of the most controversial acts of Parliament in existence in Australia.

Following a good deal of opposition from outside as well as inside the Parliament, and a second look at the legislation by the Government, some of the more objectionable amendments to the act have been withdrawn.

After much debate, clause by clause in the Committee stages, and 37 divisions of the house, the bill has now been passed by the House of Representatives.

A number of new bills have been introduced, including a bill to amend the Pay Roll Tax Assessment Act with a view to giving some concessions to manufacturers as an incentive to developing their export markets, and a bill to borrow 16.8 million Dutch Marks (\$3.75 m) to assist in the purchase of four Fokker Friendship quick change aircraft by the Australian National Airlines Commission.

The Government will borrow the money in the first place, and the proceeds will be made available to T.A.A. on the same terms and conditions for the purchase of the aircraft.

Camera Club Comp. Results

An addition to the club's history was made last Friday night, when Agnes Paterson became the first of the beginners section to move into the Advanced Grade. This is a very good achievement because three certificates for First Place in the monthly competitions must be gained before the move can be made. Congratulations to Agnes.

Reg Osborne, the judge for the Tree Study competition, had a very hard time in choosing the winners for each section, and to make matters worse, Reg caught a heavy dose of the flu.

However he refused to admit defeat and managed to carry the judging to a very satisfactory conclusion.

Beginners Colour: 1st — Ray Hambling.

Equal 2nd — A. Paterson, B. Hall.

Highly commended — A. Paterson, R. Hyde.

Advanced Colour: 1st — J. Merrills.

Beginners Black and White: 1st — A. Paterson, Equal Second — E. Gunn, A. Paterson.

Highly commended — J. Ellis.

Advanced Black and White: 1st — R. Hawkins, Equal 2nd — J. Merrills; R. Hawkins.

There is no club meeting this Friday, June 7, being the first in the month, but all entries in the "Open" competition must be handed in to the Secretary at 25 Blyth Street, Altona by June 7.

ROYAL SHOW WILL OPEN ON SUNDAY

The 1968 Royal Melbourne Show which commences on Thursday, September 19, will be open to the public on Sunday, September 22.

Royal Agricultural Society of Victoria Director, Mr. H. T. C. Woodfull, in making the announcement today, said that the Sunday Show would not be open during the normal hours of Church services, it would commence at 1.30 p.m. and close down at 6.00 p.m.

Mr. Woodfull said that the R.A.S.V. was preparing a suitable and interesting arena programme for the first Sunday Show that the amusements section (except games) would operate, and that exhibition stock and commercial halls will be permitted to open.

"In fact, it will be a complete Show at the reduced admission rates of 50 cents for adults and 10 cents for children", said Mr. Woodfull.

A Teenager Finds New Zealand 'Fantastic'

Eighteen year old Carmel Molloy of
Maidstone Street, Altona, is on a working
holiday in New Zealand.

Earlier this year she toured the North
Island and last month during a trip around
the South Island she wrote —

"I will tell you as much as I can of the tour but
you will not be able to imagine a lot of New Zealand's beauty.

Firstly we took plenty of luggage, the same as all girls. Also we had to take blankets.
The bus picked us up at 8 o'clock and all the passengers were strangers.

People of all types were on board — mostly girls. There are 2 married couples, 4 Maori girls, 4 pairs of girl friends, three fellows, the bus driver, a relieving bus driver and Charlie — an old fellow friend of the driver.

The Maori girls sing all the way and play guitars. One of them was in a Maori concert party which visited Australia and a couple of other places. She has a beautiful voice.

We have portable record players and so have plenty of music.

COLD NIGHTS

The first night was spent at Greymouth. We had a 4 bed cabin — one double bed and 2 bunks. It was so cold that Denise, Sue and I slept in the double bed with 1 hot water bottle and 8 blankets. It was more or less turn with the tide but it kept us warm.

The trip down was good, we stopped at couple of small towns before reaching Greymouth which is a dirty town near the railway lines. It was famous for mining.

We stayed at the motor camp which is right next to the ocean but in the background not far away were snow capped mountains.

The cabin was stuffy and dusty. It was much better after being aired but get this, our cabin was a renovated railway train.

It was a novelty and we were rapt. It still had the racks above and a seat for the conductor or somebody.

GLACIER "FANTASTIC"
Next day we were off to the Franz Josef Glacier where we arrived about 5.30.

This time only 4 bunks. No double bed in the cabin so we slept 2 girls in each bunk.

At 9.30 next morning we went 5 miles by a 13 seater van to the glacier. We were supplied with boots and a stick.

We walked across 100 yards or so of rocks then onto the ice. The glacier was fantastic. I was rapt. It was so unbelievable.

It is hard to believe that we have seen such a massive piece of ice. We hiked up 1000' or more before coming down again. At the office we were all issued with a certificate. Now I am a first class glacier climber.

We went sight seeing. The altar at St. James Church is backed by a huge window looking across to the snow capped mountains. Through the side windows could be seen beautiful trees and flowers. It was beautiful and I haven't ever imagined such a picture.

Then we went to the Catholic Church. It was tiny and gorgeous. The altar also was backed by a large window which picked up the colour of the trees outside. A tree with red autumn leaves gave the window a tinge of pink. This was also lovely.

TRAVELLING CHEAPLY
We visited the hotel — very exclusive. It has a staff of fifty. It cost \$15 per double per night, \$11 without a shower — telephone and the lot.

It is costing us 45 cents each night.

On the road again by 8 a.m. next morning and it was so cold we wrapped blankets around us.

UNFORGETTABLE EIGHTS
We saw some fantastic sights. Lakes with reflections just like mirrors; rivers and water ways; waterfalls and rock pools, snow capped mountains; the Fox Glacier; and the Haast Pass.

The Pass had sheer drops from the road into rivers and practically all the way it was impossible for 2 vehicles to pass. When two meet one has to back up until it reaches a wider part of the road.

Arriving at Queenstown on a Saturday we had tea before walking down to the town or to find there was no entertainment except in the hotels. So we went to the pictures.

We had the warmest sleep on this night. Our cabin had a double bed and 2 single beds. We put the double bed and 1 single bed together, turned the mattresses around and doubled the other single mattress to make a pillow at the head of our makeshift bed — four of us slept in it.

We had an electric heater here and a medium sized table. Our cases were stacked on the spare single bed.

Kitchen facilities and showers were good. It was 60 cents per night but the best and warmest we have been in.

We walked in the gardens — autumn leaves, red yellow and orange were falling; there was a duck pond with a quaint little stone bridge; an ice skating rink; bowling and croquet greens; in front of the Scott monument a lovely rose garden, and the gardens were backed by a massive blue lake and tremendous snow capped mountains.

Later we rode on the hydrofoil.

We loved it. Seeing the beautiful mountains and islands as we cut the waves. It was very impressive.

CHAIRLIFT NOT "SCARY"
Next on the agenda was a chair lift. We were in a type of bubble — it seated four and had plenty of windows. It was not really "scary" and we enjoyed it.

We had a look at the chalet on top. Inside it was like a log cabin — the wood was stained and polished.

The view from the roof was fantastic. We looked out on to the whole of Queenstown with its well defined streets. The lake was so breathtaking that we jumped and down on the spot. We were like big kids. No other lake was so blue, deep and beautiful. The gorge is secluded and pretty. The town is small and the houses lovely.

Next day we went to Coronet Peak. We travelled on a one mile chair lift from the chalet to the peak. From a look-out we saw the surrounding mountains, lakes, trees, farms, snow, etc. Oh! It was beautiful. In the snow we bombed each other and made a snow man.

We were 5413' above sea level and it was windy, cold and snowing.

One of the girls from Brisbane was so thrilled with her first experience of snow that she had tears in her eyes.

We left the chalet and went to the old gold mining town below — we saw old houses and shops, an old horse stable and

a museum which housed an old steam engine, buggy and gold dredges. We had a look at the bottle houses built from over 1,000 wine and beer bottles. Patterns in the walls were made from the different coloured bottles.

HIGHLIGHT IS MILFORD SOUND

The highlight of New Zealand has been for me the trip to Milford Sound. It was a sideline trip tour so only three of us went there.

By the way on the bus I met a chap on his honeymoon who went to school with Michael Leyden.

The reflections on Lake Monopourie, Lake Te Anua and the rivers was as though someone had placed a mirror over the top of them. The vegetation was green and thick and very pretty.

Milford and Te Anua hotels were gorgeous. We walked around them both. But we like our motor camps !!

The waterfalls around the south were fantastic — only 2 and 3 feet apart. It is impossible to explain them — they are just as if somebody poured water over the mountain.

We have seen another glacier and Bowen falls. Two rivers flow into the Bowen falls so you can imagine the force with which the water tumbles and tosses through a narrow pass. To get to them we went through a one-way tunnel — each way every half hour.

Went back to Queenstown and off to tour an oyster factory. Not very much work is involved but boy can those men whipe the oysters out of their shells. They only work for half a day.

From Bluff we had our photos taken at the furthest point south of the South Island — we were even below the level of Tasmania.

DUNEDIN — "SCOTCH"

Dunedin followed where we stayed in a hall at the motor camp. We had separate rooms but decided to stay in the one room. Three in one double bed, 2 in another, one in another and 1 in a single bed — all in the one room. We had plenty of laughs.

Dunedin is very "Scotch". The people even speak with a Scotch twang. We visited all the sites — old buildings, historical places, beaches, harbour, views from mountain tops, university, post office, swimming pool and the war memorial which can be seen from all Dunedin suburbs.

We stayed at a beach suburb — St. Kilda where I bought a paua shell ring.

We had a ride on a swing set right on the edge of a hill. You swing over the edge and get a fantastic view of the bay below. The swing has a safety chain and a wire attached.

CHRISTCHURCH "ENGLISH"

At Christchurch we found the people very English. At night it looked a lot like Melbourne. Christchurch is spread over a vast area of flat land and is New Zealand's third largest city.

Here one of our Maori fellow travellers got us into a night club for half price. For one part of the evening I was dancing with the NZ lightweight boxing champion. Another part of the evening I was dancing with a Maori fellow — very nice, very polite, about 20-30 years of age and a good dancer.

Not till next morning did I find out he is the present New Zealand ballroom dancing champion. I was thrilled because he asked me for a number of dances.

Our Maori singer friend, Pati, sang at the night club. She is a beautiful singer, just like the singer of Ball High in South Pacific and as good and Vici Carr. Pati comes from a Maori family high up in her race. She is a Princess and has Irish ancestors — half and half.

From Christchurch we returned to our starting point, Nelson, and the end of the tour.

It was sad to say goodbye to the friends we made on the trip and to the bus drivers, it was like saying goodbye to a relative.

FROM THE COUNCIL MEETING . . .

The shire engineer estimates that it would cost about \$32 per shop to concrete the nature strips outside the Ross Rd. Shopping Centre.

The present footpath is only 5 ft. wide.

The cost of concreting would be about \$1.60 per foot.

The council plans to write to the shopkeepers saying that the path will be concrete if they so desire.

The shopkeepers would have to pay the cost.

The shire council will discuss the possible sites of a swimming pool in North Altona at its next General Purposes Committee meeting.

The shire council plans to press local Members of Parliament for the establishment of a police station at North Altona as soon as possible.

The council has passed a resolution expressing its appreciation to the Chief Commissioner, Mr. Arnold, for making Superintendent Milner available to meet the council to discuss the shortage of police.

The voters' rolls for the shire will close on June 10.

The shire council has now passed a by-law allowing children who do not live in Altona but attend Altona schools to use the shire free libraries.

Driver Fails to Give Way — Then Refuses To Give Name

Leonard McNabb of Cecil St., Williamstown was fined \$20 for entering a highway from land abutting without giving way to all traffic, \$20 for failing to stop after an accident, \$20 for failing to give his name and address and \$20 for driving carelessly. A further charge of reversing when unsafe to do so was withdrawn.

Ronald Bernard of Derby St., Kensington told Williamstown Court on October 5, 1967, he was driving along Ferguson Street, and approaching Electra Street when he noticed a car parked in Electra St.

As he came up this car accelerated in reverse and struck his car. He stopped and got out to speak to the other driver but found he had driven away.

He followed the car and eventually caught up with it. He asked the driver for his name and address but he would not give it. He told the driver he was going to get the police.

Constable Ian Hood gave evidence of interviewing McNabb in November. McNabb admitted being the driver on the day of the accident and made a statement. In it, McNabb said he was reversing out of the garage on the corner when a car hit him, and did not know where the car came from.

He got out of his car and asked the driver for his name and address but he would not give it. Just kept yelling and then drove off. Later he noticed his car was following him and told the driver to get the police if he wanted to.

McNabb, who did not appear, was also ordered to pay \$5.50 costs.

"Give Way" Signs for Intersection

The Traffic Commission is to be asked to place "Give Way" signs at the corner of Mills and Mason Sts.

And the police are to be asked to "blitz" traffic offenders at the intersection.

The shire council has decided to do this after a report on the corner and its traffic by the shire engineer, Mr. R. C. Simmons.

The police are also to be asked for their comments and suggestion on traffic control at the corner.

SILVER WEDDING CELEBRATION

Last Friday night a supper dance was held in Talbot House, Williamstown, to celebrate the 25th wedding anniversary of Mr. and Mrs. John Stewart of Finley Rd., Altona. Helping to receive the 70 guests was their daughter, Mrs. G. McDowell, who travelled down from Camden, NSW, for the occasion.

The bridesmaid and best man were at the evening. Mr. and Mrs. J. Allen of Surrey Hills, and Mr. Allen proposed the toast.

The guests were entertained during the night by Irish and Scottish music. The cake was made by a friend of the family, Mrs. Taylor of Emu Ave., Altona.

NEW ASSN. FOR HANDICAPPED

An Association for the Advancement of the Intellectually Handicapped (A.A.I.H.) is being formed in Melbourne.

Mrs. H. W. Alcock of East Keilor (Telephone 337 7996), President of Footscray Special School Mothers' Club, arranged the first combined meeting of Special School mothers and friends, which was held on 13th March.

Those who attended were enthusiastic about the formation of a combined organisation and it was decided to have regular monthly meetings at 10 a.m. on the second Wednesday.

The use of the V.T.U. hall in "Whitehall" Bank Place, Melbourne, together with a pleasant lounge and kitchen, were promised, so it is possible to serve morning tea or an early lunch after each meeting. A charge of 10 cents is made for this.

The new organisation aims to help parents through instructive talks and discussions, and to improve the lot of intellectually handicapped children and adults whose parents can no longer care for them.

All mothers, including Day Centre people or those whose children are on waiting lists, are invited to come along to the inaugural meeting on June 12. After ratification of the constitution and the election of office bearers, social workers from Janefield and Kew Cottages will address the meeting. Friends who work for the handicapped are welcome at all meetings.

CK. RD. CAR SMASH**

Two detectives were travelling in one of two vehicles involved in an accident in Kororoit Ck. Rd., but a charge brought against the other driver was dismissed at Williamstown Court last week.

One car was being driven by its owner, Senior Detective Bruce Huxtable of Russell Street, and with him as passenger was Detective Hilton.

The other vehicle, a combi-van, was driven by Michael John Leyden, medical student of McBain Street, Altona.

Following the accident Leyden was charged with turning into a private driveway when not safe to do so. The charge was dismissed.

Senior Detective Huxtable told the Court that at 1.35 p.m. on Wednesday, December 27 last year, he was driving his own private car in an Easterly direction along Kororoit Creek Road. With him was Detective Hilton.

Huxtable said he was travelling at about 50-55 mph and that the only traffic on the road was a combi-van about 100 yards ahead.

He said he put on his indicators to overtake the van, at the same time the defendant, who was driving the van, veered slightly off the road on to the gravel on the left.

Huxtable said he started to move to the right to overtake but when a short distance away the combi-van moved to the right and straight in front of his path. Huxtable said he sounded his horn and accelerated to get past but the van kept going and collided with him. His car was forced into a culvert and stopped 30-40 yards up the road. The van was entering the entrance of C.S.R.C. Dow.

When they got out of their cars Huxtable said he asked defendant if he did not see him. Leyden said he did not see him. Asked why his indicator was not on to show he was turning to the right, Leyden said they were not working. Huxtable said to Leyden, "Your driving window is closed and you didn't give any indication of turning." Leyden told him he was very sorry, it was his fault.

In reply to Mr. Dee, Huxtable said he was not doing about 70 mph but would say 50-55 mph. Huxtable said he was quite sure Leyden moved on to the gravel and did not make the turn from the centre of the road. He definitely did not see any indicator working; and Leyden tried his indicators after the accident and they did not work then.

First Constable Douglas Hilton of the Wireless Patrol told the Court he was with Huxtable in the car. He noticed the van ahead move over to the left and then swing in front of them. He saw no indicators working. He admitted getting a fright and saying to Leyden, "You might have killed us." He thought their car finished up about 100 yards past the collision point.

Constable Geoffrey McMahon of Altona gave evidence that he took a statement from Leyden. Leyden said in it that he checked behind him before turning right, slowed down to about 3 mph and believed his indicators were working. He heard a horn sounding but could not see a car on his right so assumed it was going to pass him on the left. He thought he would hurry up and make the turn but the car hit him on the right side. He thought the other car must have been doing about 75 mph.

Leyden gave evidence on oath and denied having been on the gravel. He said he made the turn from the centre of the road after only travelling about 200 yards up Kororoit Ck. Road from one factory and was going into another. He said he was only doing about 25 mph. Near C.S.R.C. Dow's Leyden said he slowed down to 3-5 mph looking for the right entrance. He said he had looked in his rear vision mirror and had not seen any car approaching. Again looking in the mirror and turning to look he saw no car, so started making the turn. Leyden said he thought his indicators were working, in fact, felt sure they were. But he could not say how he could be sure. The Police had said they were not working.

Later, after the accident he got in the van and tried the indicators, but being flustered forgot to turn the ignition on. He tried it later again and they did work. The Justices of the Peace felt there was a reasonable doubt and the case was dismissed.

**DROVE WITHOUT A
LICENCE**

Six prior convictions for traffic offences were admitted by a motorist who again appeared in court last week.

This time the motorist, Leonard Arthur Thompson of St. Albans, was fined \$20 and his licence suspended for two months for exceeding 35 mph and \$50 for having no driver's licence.

Constable Sneddon of Footscray, told Williamstown Court that he followed Thompson in Melbourne Rd., Williamstown, on February 4 at a steady 50 mph. When intercepted and asked for his licence, Thompson admitted not having one.

Thompson had said he just wanted to have a drive and that by his speed he was not exceeding 35 mph.

After announcing the fines, Mr. M. Robertson, J.P., granted Thompson a stay of 28 days.

No Life Jackets

Leslie Bell of Middle Park was fined \$10 at Williamstown Court last week for failing to have a life jacket for every passenger in his boat.

First Constable Drew of the Motor Boating Squad told the court that Bell had three adults on board and no life jackets when he intercepted him on March 24 half a mile off Williamstown.

Fined \$20**Careless Driver**

Fined \$20 at Williamstown Court last week for careless driving was Frederick Cox of Pascoe St., Williamstown.

Constable B. Sneddon told the court that on February 4 he was driving along Douglas Parade, Williamstown, when a car approaching him about 50 feet away suddenly veered, mounted the footpath and hit an electric light pole. Constable Sneddon said Cox told him that he had fallen asleep. Cox said he had been out late and was not used to late nights.

**FINED FOR NOT
CHANGING
ADDRESS**

At Williamstown Court last week Charles De Bonnaire of Albert Street, Williamstown, was found not guilty of driving at night without lights but fined \$10 for failing to notify the Motor Registration Branch within 7 days of his change of address.

Constable Sneddon of Footscray told Williamstown Court at 10.15 p.m. on February 1, 1968, he saw a car in Power St., Williamstown and noticed it had no tail lights or number plate light on. When he asked the driver, De Bonnaire, his reason, De Bonnaire said he wasn't aware they were not on.

His address on his licence was not the same as he gave to Constable Sneddon. He had shifted 3 weeks before but had not notified anyone about it.

De Bonnaire gave evidence that the car was only 2 weeks old on the night he was intercepted. He had had trouble with the lighting and returned it to the garage. They assured him it was then right and he did not know on that night that the lights were again not working.

Since that night he returned it to the garage again and had a complete switch put in a job that should have been done in the first place. He had notified his change of address for his car registration but had not got around to it for his licence.

The Justices of the Peace, Mr. M. Robertson, F. Dann and A. Stevenson gave him the benefit of the doubt on the lighting charge and dismissed it. They fined him \$10 on the other charge.

Competition matches will be suspended this Saturday on account of the holiday weekend but a game has been arranged at 12 noon for the Combined side to play The Rest in preparation for the Monday Match at Bendigo.

Altona Presby by their good win over Westport Meths enhance their chances to retain their place in the "four" and following our par last week on the Presby boys being likely prospects of the future, well it appears that certain "scouts" were about to see what the talent was like.

Altona Methodist Basketball

A Reserve match against Maidstone C. of C.: Cancelled because of rain.

B Grade 18, defeated Holy Trinity 7.

First Win For Golds

Playing a determined, purposeful brand of football the Golds won their first game at Loft Reserve against West Newport. The final scores were Altona 9.16 (70), West Newport 5.13 (43).

Kicking into the strong breeze in the 1st quarter, Altona scored two very valuable goals whilst at the same time they successfully kept the ball in the dead pocket when West attacked.

Leading by two points at the start of the 2nd quarter, the Golds added three goals to give them a handy lead.

However, as the quarter progressed the over-anxious Altona lads crowded the forward line thus preventing themselves from going right away.

West attacked strongly in the 3rd quarter to level the scores. In the last quarter Altona found it hard to break clear with the ball. However through the agency of Gordon and Blokeerus in the ruck and Roest in the centre, this improved the little side which went away to a well deserved 27-point victory.

Goals Blokeerus 3, R. Morgan 2, G. Morgan 2, Moylan 1, Roest 1. Best players: Blokeerus, Gordon, R. Morgan, Roest, Jackson, G. Morgan.

C Grade 48, d. Yarraville Baptists 1.

There will be no matches played on Saturday, June 8.

Games for Saturday, June 15: A Reserve v St. Andrew's at Will. Girls H.S., 3.15; B Grade v Newport Baptists at Newport S.S., 3.15; B Reserve a bye; C Grade v Gospel Mission at Seaholme S.S. 1.45.

Purples Still Unbeaten

In shocking conditions the Altona Purple team kept their unbeaten record for the season intact by running out easy winners against Newport. Final scores were 7.15 to 3.4.

With the crosswind and the ball continually out of bounds scoring was proved very difficult in the first half. The Purples did not help themselves early as quite a few players were only coasting, a bad sign of over-confidence. Only the strong ruck play by Simmons and Howard and defence by Garde had kept them in front.

Towards the end of the 3rd quarter the team started to play as a unit and slammed on three quick goals.

Although kicking into a gale in the last quarter the Purples had eight scoring shots to Newport's three and turned on a brilliant display of team football. This was brought about by Hardham taking control in the centre and Grainger and Patton winning around the packs.

Best players Simmons, Courtot, Garde, Hardham, Grainger, Howard, Patton. Goal-kickers: Patton 3, Groves, Simmons, Van Dyke, Zapart.

St. Paul's Continue Winning

Playing determined football, St. Paul's, with better teamwork, consolidated their place in the four when they defeated West Footscray in the Under 14 grade in the Footscray District League.

Goal-kickers: S. Jackson 1, P. Ward 1. Best players: K. Shaw, S. Mandics, J. Hassett, G. Collins in an even side.

In the Under 16's, St. Paul's gained an early break with 3.3 to 1.0 in the first term and then defended well.

TABLE TENNIS RATINGS

A modest but popular champion, David Lee Mun Chew heads the area rankings with an unbeaten record of 18/0 at this stage of the season, and it seems unlikely that any local player will take a set off him under normal circumstances.

Next in order are Ron Lei 14/1, Doug Wilcox 15/3, Ken Holman 10/2, Paul Rogers and Alan Coustley 12/3, R. Faust 9/3, R. Warrior 13/5.

Lothar Deich, winner of the Aggregate trophy for the recent Summer season, is below his best form with only 8/4, but should improve rapidly as he regains touch.

In B1 Kevin Lambert has the enviable figures of 17/1, with Peter Whelan next on 14/1. Then follow R. Ross 15/3, L. Fox 14/4, M. Siwek 14/4, J. Wylie 11/7, D. Fowler 12/6.

In B2 — S. Hayes 16/2, R. Gregor 11/1, M. MacGavin 13/2, K. Fraser 12/3, D. Doyle 11/4, L. Loone 11/4.

C1 — W. Purvinas 16/2, G. Lewis 12/3, N. Wynn 12/3, J. Wilson 13/5, L. Besanko 13/5, J. Wild 10/5, T. Delmenico 10/5, C2 — R. Blythman 18/0, K. Walsh 14/1, B. Scott 13/2, R. Taylor 12/3, M. Singleton 14/4, C3 — A. Richardson 16/2, R. McInnes 15/3, G. Philips 9/3, T. Findling 9/3, K. Lee 1/05.

D2 — Nancy Merton 15/0, T. Hill 12/0, Joan O'Hagan 12/3, P. Foster 9/0, R. Saker 9/0, N. McLeod 9/0.

D3 — A. Evans 14/1, R. Wendt 10/2, E. Powell 14/4, B. O'Connor 11/4.

D4 — T. Molz 17/1, K. Winfield 16/2, J. Bacsik 112/3, R. Rewuk 11/4, D. Taylor 11/4.

E2 — R. Pike 15/0, R. Higham 11/1, P. Anderson 16/2, R. Saker 15/3, M. Paretainer 13/2, S. Caswell 13/5.

E3 — G. Jamieson 9/0, J. Hoffman 8/1, J. Heitbaum 13/2, I. Brooks 12/3, B. Wendt 7/2, J. Cuce 9/3.

Final scores were 4.11 (35) to West Footscray Y.C.W. 3.6 (24).

Goal-kickers: Gandolfo 1, G. O'Brien 1, Barry 1, K. English 1. Best players: Brown, Reidy, Barry, M. O'Brien, P. English, Griffin.

Exciting Lacrosse Game

On Saturday last, Altona ran up against the undefeated MCC team, but were not the team to bring them down and were defeated 17 goals to 5.

With an excellent umpire, some times needlessly over-technical, one of the cleanest games played at Altona was seen at Bond Reserve. Altona set a new record of only one penalty proving they could play clean.

On the whole it was a very fast, exciting game. Both teams played well but MCC had a hard fought victory.

Altona's goalscorers for the match were: R. Benedierks 1, B. McMinn 1, A. Jones 1, J. Houston 1, J. Butkiewicz 1.

The three votes for best and fairest player went to H. McDougal for a well played game. Two votes went to J. Butkiewicz and one vote to B. McMinn.

Next week, Altona, hoping for a full team, will play Caulfield again at home on Bond Reserve, Altona North.

RUGBY UNION

Altona North Technical School participated in two games of Rugby Union at Langshaw's Reserve, Altona North last Saturday.

The first game was in the under 14 section of the Western Suburbs against St. Paul's College, North Altona. St. Paul's were playing their first game and they displayed some remarkable teamwork which augurs well for the future.

Brother Hendry of St. Paul's has a well-disciplined bunch of boys who rewarded him with a win first-up.

Altona Tech. kicked off and immediately applied pressure with persistent attacks towards their goal. Ross Ritter, Graeme Richards were shining with their forward play. Mike Hammond and newcomers Trevor McCudden (at five-eight) and Phillip Littlewood (centre) were displaying dash with powerful runs but to no avail.

At the break the Saints led 3 to nil and immediately play resumed they increased this lead to 6 when their winger sped over the line from the half-way line.

Newcomers in the Technical School team were Wally Maczohan, Kevin Brown, Barry Coburn, John Neale, Peter Ashman, Richard Rooper and J. Ferrand. These boys all show keenness and should improve.

In the second game Altona played Moorabbin and were beaten by the more experienced team. Charles Scerri, Martin Kernen, Barry Hawkrig, Fred Borg, Graeme Richards and John Burnside all played well.

Next week Altona play Tottenham at Footscray.

The State Teams Championships will be played on Queen's Birthday weekend at A.W.M.C. at 10 a.m.

All support would be welcome and we have teams from Mildura, Mountain League, Melbourne metropolitan and Northern districts, so you are assured of a good exhibition of darts.

The Captain of our own WSDA, T. Atkins, would be pleased to see all the Shadow Squad there in support of the team.

E. Healey (Bristol) took the Honours this week with his good consistent play in his singles. He started with 105 and completed his game in 19 darts. In his doubles he again started with 105 and finished on 106. He also scored 100 in the teams game. The shortest game was by T. Howells (ICI) with 11 darts—87, 100, 55, 58.

The highest start was between two players with 120. — G. Payne (AWMC 'A') and A. Fox (Deer Park).

The highest finish was R. Gilham with 117 (Yarraville 'A'). The highest scores were shared, all 140 each: K. Kennedy (Sholme); B. Marguand (Bdge); R. Johnson (Macs Melton); A. Young (Bristol); A. Ledwards and T. Baker (Bristol Rovers); K. Johnson (Racecourse); J. Bird (Newport).

Over 100 were: — E. Gittens 120, E. Cain 125; A. Walker 125; D. Walker 125; A. Clarke 125, 120; S. Hoffman 124; A. Lanham 120; R. Barker 124; A. Martin 120; R. Fox 120; E. Millardship 120; A. Ledwards 111; C. Neal 120; C. Dolougham 120; R. Bealey 108; E. Healey 106, 105, 105; S. Sharp 105; T. Samson 105; R. Johnson 102; A. Young 101; R. Meddings 115; R. Gilham 112; A. Wales 112.

Good Win for Junior Soccer Team

Altona Under 12 soccer team played Sunshine Heights at Sunshine last Saturday and had no trouble accounting for their opponents, scoring nine goals to nil.

Playing against the breeze in the first half Altona took their time to settle down but once they did Sunshine didn't know which way to turn. Hamil again had a good game and he set many an attack moving and not far behind him Burgess, one of the younger players, sent out some good passes to his fellow forwards. At half time, Altona had three goals in the net scored by Hamil, Downes and Burgess.

In the second half it was all one way traffic with Altona doing all the attacking and scoring goals at regular intervals. With a little more steadiness they could have scored more.

Scorers: Downes 3, Hamil 4, Roberts, Burgess 1 each. Best players: Burgess, Hamil, McNeill.

The Under 16 team had no luck in playing Ardeer who had a bigger team than Altona Seniors have, and it was no surprise to see them lose 11 goals to nil. But they never gave up trying to play good soccer, they were always moving the ball about but the bigger side wore them down.

Best players: J. Althien, M. Walsh, J. Collins.

There was no match in the Under 14 and Under 10.

ALTONA'S ROCK FORMATION

A rock formation was discovered at Kim Reserve on Saturday, and who found it? Sunshine City.

What a rock like defence Altona had. Sunshine blasted it with everything they had, but Roberts, Greco, Milloy and Copley held firm.

Their gallant play went a long way towards another very valuable point which the "Maroons" gained by drawing with Sunshine.

This was also the first point Altona have ever gained from Sunshine, marking another step forward in the progress and play of this young side.

Altona took the field wearing the Maroon track suits donated by Mr. L. C. Noordenne, Club President. It was nice to see the neat appearance of the Altona boys.

Playing with the gale Sunshine attacked. Copley in his new role of centre half was soon to be tested, rising to the occasion and capably backed up by Milloy and Greco.

They forced Sunshine back and Balish, giving Ray and Kolliger nice through passes, opened the play up for Altona. They paved the way for Herman and Steven who shot straight at the keeper on two occasions. When clean through, goals against the wind are hard to score and even one of these chances would have been very valuable indeed. Coles and Cook were lively wingers for Altona.

It was encouraging to see the "Maroons" attack in this fashion, Sunshine kept roaring into the attack. Bobby Milloy playing his best game ever, turned them back with hard tackling and accurate clearances.

Copley, who must be the fastest player over ten yards in Divn. 1, pounced like a tiger on to every loose ball, clamping back upfield to Ormerod and Altona were back in business. Play see-sawed up and down for a while, Roberts being the busier keeper, especially when the rain started to lash down towards him. However, Ian acquitted himself well and at half time it was 0—0.

Altona played well against the gale, surely they could have it easier in the second half. Sunshine however had other ideas. This took the "Maroons" by surprise and instead of an all out attack on the City goal it was the locals who had to defend grimly. Again this rock like defence held firm.

Tennis Pennant Results

The women's team was soundly defeated by Essendon 3 rubbers to 1 last Saturday. Altona's only winner was J. Parkinson 6.1, 6.2.

The men's team defeated Monash University 2 rubbers 6 sets to 1 rubber 3 sets.

Rain prevented John Trickey from making it 3 rubbers to 1 when leading 6-0 and 3-1, but as Altona already held an unbeatable lead Altona took the points and stays on top position.

Other scores were: C. Trickey lost 6.3, 3.6, 4.6; R. Walker won 6.3, 2.6, 6.3; B. Mellington won 6.0, 6.1.

Milloy and Ormerod combined well, although Cook, Kolliger and Ray had lost touch with play.

Balish and Coles had the right idea and after a sluggish 15 minutes, Altona became a force once again. Cook, in a good move with Kolliger, swung the ball across the goal and Billy Coles missed by the tiniest fraction in his attempt to head home what would have been a great goal.

The "Maroons" seemed to realise that Sunshine, who had defeated them 7 times, were themselves on the verge of defeat.

Copley brought his defence out and from then on the Sunshine goal was under siege. Ray careered through but was pushed off the ball at the last minute. Cook was mashed into the ground twice after he cleverly beat two players. Greco gave Coles a good pass. Billy scampered down the wing and cracked a low ball into Herman. Steve allowed the ball to run past him, completely deceiving the Sunshine defence.

In raced Cook, steadied with only the keeper to beat, but his hard low drive flashed past the keeper and also past the post.

Every Altona player had a final last minute all out bid to try and get the winning goal, but the final whistle surely saved Sunshine from defeat. This was a very hard game but so will next week's be.

Dandenong City visit Kim Reserve, they are not only Divn. 1 league leaders but also undefeated. They may be in for a very big shock as the "Maroons" will shake things up.

The Altona Reserve XI had a 1—1 draw with Sunshine. Vanper and Jablonski kept the youngsters playing good soccer.

Studdard and Delamen were exceptionally clever in defence. This side is moving up the league ladder. The goal was scored by T. Cassar.

Result of the special effort for last week was No. 43. This week No. 235.

TWO GOOD HOCKEY WINS BY LADIES

Altona B North Ladies' Hockey team defeated University, 8-1, at home, playing under bleak, wintry conditions.

Altona played robustly and attacked constantly to make many scoring shots. Altona attacked through the wings which passed well into the centre where Kathy Garlick, Kerry Smith and Liz Szatkowski made the University goalie work overtime.

University were taken further aback when Alison Scherman scored 2 perfect goals from short corners hit to her by Kris Harley.

The most pleasing performance of the match was the game efforts of Heather Harley in goals. Heather could become a top notcher with more practice and experience. Putting it mildly, Altona put up a sterling performance.

Goals: Kerry Smith 3, Kathy Garlick 3, Alison Scherman 2.

In the C North grade Altona, 3, defeated L.S.C.F. in poor conditions.

Altona played as a team with the backline working well together and cleared the ball to a fast awaiting forward line. They beat the opposing backs with long passes but found it difficult to score. It was a good team effort and more wins are expected.

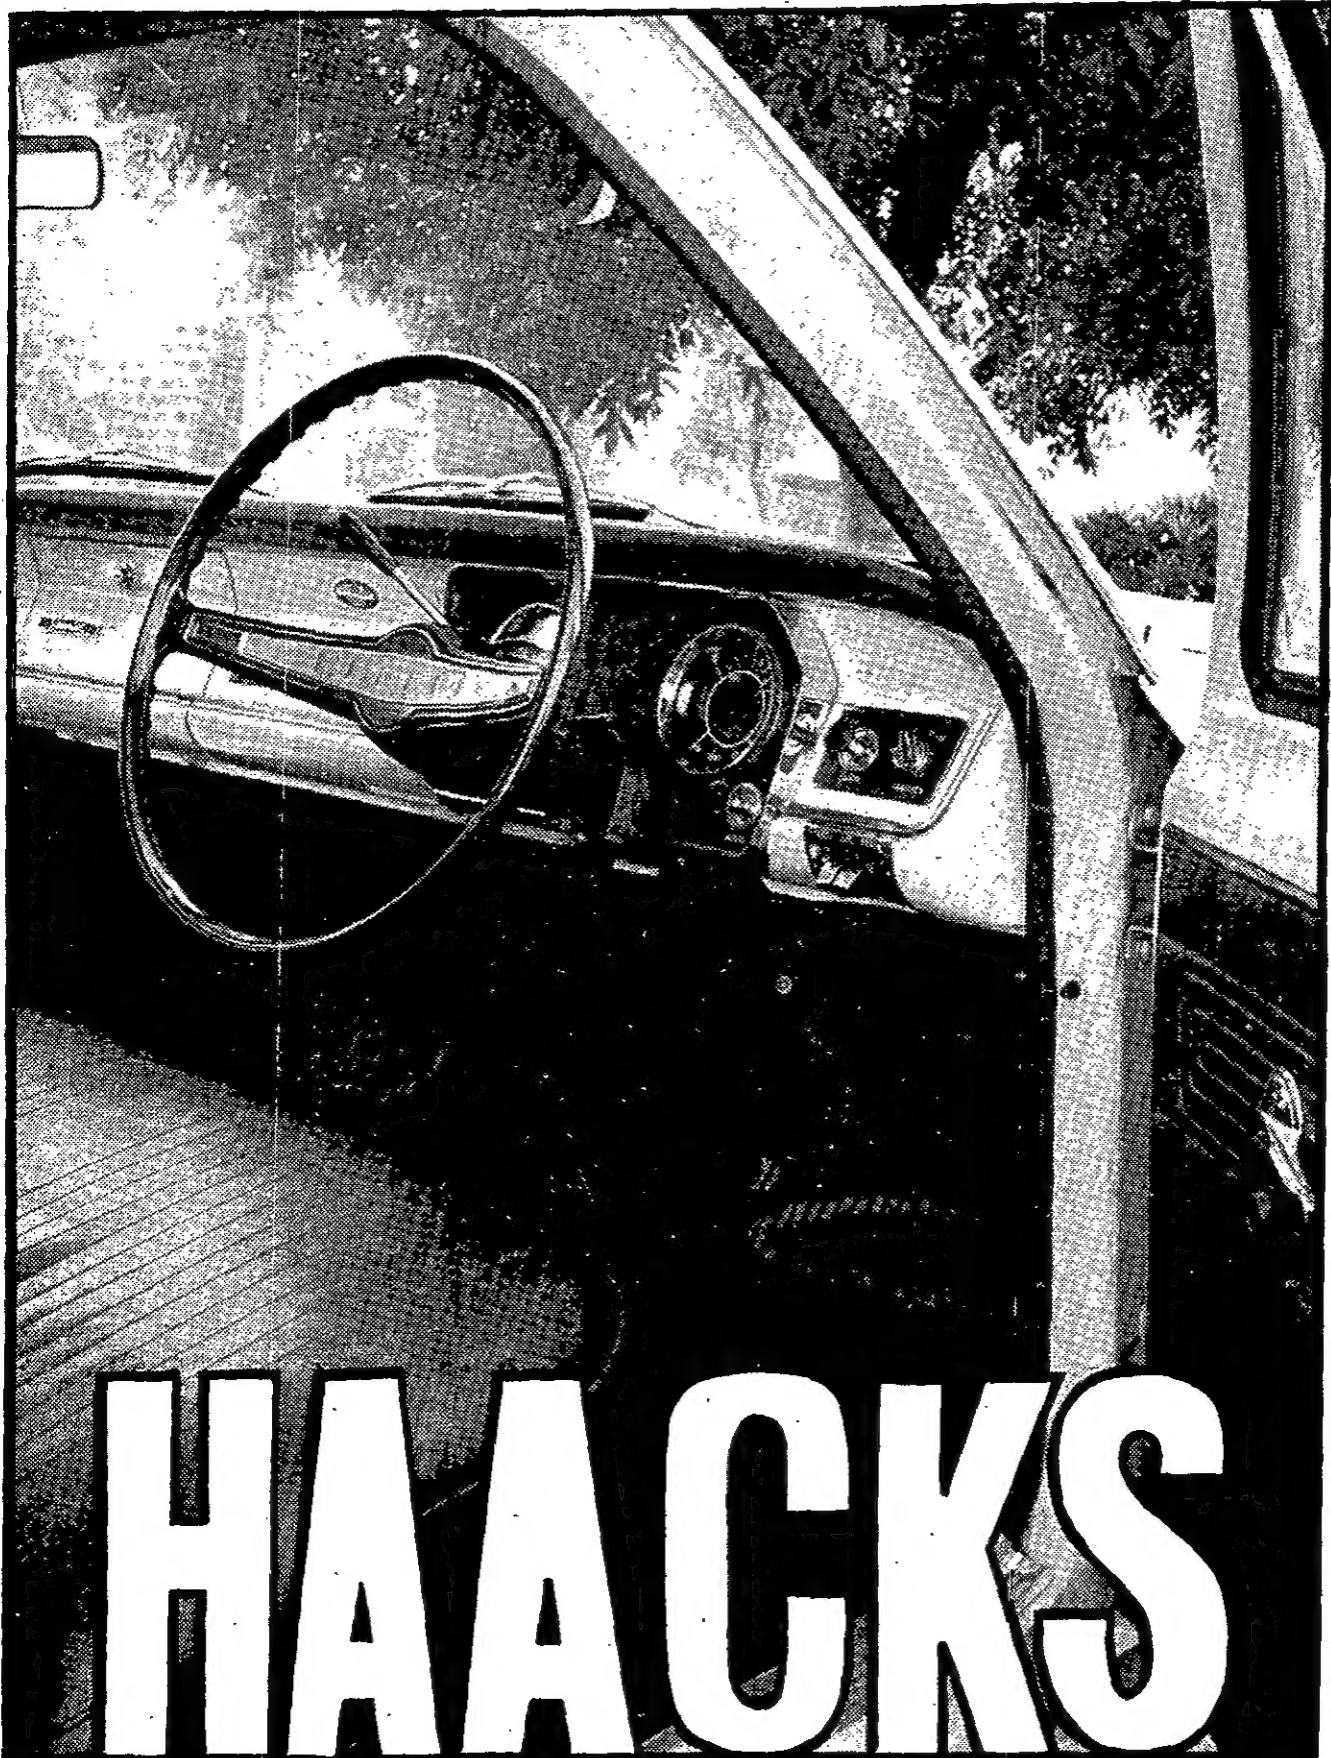

Goals: Pam Jeffs 2, S. Strohl 1.

Best: The whole team deserves a mention.

Altona were defeated by Eltham in E North Grade.

This team was unfortunate once again to be defeated by a more experienced and older side. They did, however, put up a good performance.

There will be no matches played this week but training will commence on Saturday, June 8, at 2 p.m. All girls are required to attend.

MATCH COMMENT

Open Age
In a physically hard game, Laverton withstood a desperate effort from West in the last quarter. The game, played in windy conditions was a scramble and both sides tired in the last quarter due to the heavy going. Best Players West: Newport: Langan, Taylor (1), Howlett (2), L. Broughton, Bottomley.

Other Goal Kickers: Luttick 1. Best Players Laverton: J. Cameron (1), T. Sytema (1), E. McDonald, K. McKenzie.

Other Goal Kickers: N. McKenzie 2.

Newport with Mick Brodie kicking accuracy and supported by a winning forward line and rucks easily accounted for a spasmodic RAAF Laverton side. Newport won this game in the first quarter by keeping their opponents goalless.

Best Players: Newport: M. Brodie, B. Muschialli, R. Martyn, K. McCallum, K. Withers.

Other Goal Kickers: M. Brodie 6 G. McNamara 2, C. Peterson 1, A. Stewart 1, R. Martyn, K. McCallum 1.

Best Players RAAF Laverton: Constantine, Walters, Gillick, Jazownik, Maher.

RAAF Tottenham played valiantly to the end but went down to the stronger team on the day. Maidstone were too strong winning in all the key positions, with Maidstone rovers dominating the game.

Best Players RAAF Tottenham: N. Kelly, B. Carpenter, B. Graham, W. Wiltshire, M. Evans 1.

Other Goal Kickers: J. Cairns 1.

Best Players Maidstone: L. Challis (12), P. Heard (1), W. Ceccheit (1), V. Delaney (3), J. Knott (3), T. Challis (2), P. Ellis. Other Goal Kickers: T. Neale 1, M. Scott 1, V. Vandenberg 1, L. Syme 6, G. Turner 3, G. Bean 1.

Central Altona came out winners after a determined and hard fought game against South Kingsville. South Kingsville fought the game right out to the finish and only the experience of Central Altona won out.

Best Players South Kingsville: R. Woolley S. Maddox, B. Birthing, H. Koblynski.

Other Goal Kickers: S. Maddox 4, M. Black 2, T. Jones 1, E. Spence 1.

Best Players Central Altona: M. Kisanz, S. Lott (2), W. Kennedy (3), O. Stumbass, R. Hendry.

Other Goal Kickers: R. Smutney 3, S. Robinson 2, Kiely 2.

Under 18
In wet and muddy conditions Newport ran out the victors in a hard fought match.

Best Players Newport: Costello, Patterson, Bacon, Rowe, Mc-Masters.

Goal Kickers: Costello 5, Drake 1, Treadwell 1, Mouser 1, Klani-scek 1.

Best Players RAAF Laverton: K. Eady (2), K. House (2), K. Collins (1), M. Young (1), J. Bond (1).

Other Goal Kickers: K. House, P. Laird, W. Hall, G. Eden, J. Campbell.

In a very closely contested

game in which the scores were almost level throughout, Altona came home with an electrifying finish to eclipse their opponents.

Best Players Central Altona: E. Hatzpoulas, D. Hendry (1), D. Rokhampter (1), W. Stevens (1), T. Rouhard.

Other Goal Kickers, Boicos 4, Vickers 3, Kelly 2.

West Newport handled the wet conditions better and recorded an easy win.

Best Players Laverton: L. Allen, B. Smith (1), P. Toohey, P. Howell, M. White.

Best Players West Newport: Buckley (3), Broadfoot (5), Parsons (3), Martin, Szatkowski.

Other Goal Kickers: Ryan (2), G. Hammond (1), Burchall (1), Sidak (1) Cincy (1).

Under 16
Williamstown with greater will to win came home strongly to win by the narrow margin of two points.

Best Players Williamstown: Bloom, Lavooy (2), Hodgson, Halemba, Richards.

Other Goal Kickers: Norman 1, Mattison 1, Welsh 1.

Best Players Devon Park: D. Jones (3), Bailey (1), Williams, McEvoy, Stuart.

Other Goal Kickers: Fry 1.

Altona (Gold), aided by a strong wind in the last quarter were able to out score West in that term after scores had been level at three quarter time. West Newport's bad kicking for goal had wasted many opportunities and so allowed Altona to keep in the game during the third quarter.

Best Players West Newport: McLaren (3), Phelan (1), Saunders, Kelly, Ridge.

Other Goal Kickers, Hammond 1.

Altona (Purple) never looked in danger of defeat and sealed the game by kicking two goals into the strong wind in the last quarter.

Best Players Altona (Purple): E. Simmers (1), M. Goertot, B. Garde, I. Hardham, S. Grainger.

Other Goal Kickers: W. Patton 3, H. Van Dyke 1, W. Groves 1, Zapart.

Best Players Newport: W. Wood, R. McMaster, R. Coleman, J. Bester, G. Watson (1).

Other Goal Kickers: G. Wood, B. Duncan.

Win for Reserves

Altona, 6.9-45 defeated Preston City 4.9-33 in the Reserve grade of the Metropolitan Football League.

In the first quarter Altona kicked to the swamp goal and had 6 deliberate shots which fell short due to the strong, blustery wind favouring the Civic Pde. end.

During the first 5 minutes Eddie Buysen cut his lip and had to be replaced by Morrie Tisdale at the first change.

During the second quarter many chances were wasted trying to get the ball into a scoring position, but although only scoring 2.1 while having the ball in their forward line for 90% of the time, Altona were able to keep Preston scoreless. Rain drizzled down all during the interval.

The third quarter was possibly the best by Altona in keeping Preston down to a goal while scoring against the breeze which had changed, helping to blow the ball across to the dead pocket on the pavilion bank. The back line deserve full praise for their dogged work.

The last quarter started with Altona 1 point up. The wind seemed to be dropping and the ball was getting greasier. Philip Reid came on with 15 minutes to go. Playing as a team and passing the ball well, Altona scored a point. Preston zipped the ball forward with clever backing-up and a lucky bounce goaled up hill to put them ahead.

A 30 yard hit-out from Morrie Tisdale led to a behind. Most of the play was on Altona's forward line with more direct approach

to goal from anticipation by Altona's pacier players, two of which resulted in goals.

Best players: K. Ross and W. Ross applied pressure around the ground all day. Morrie Tisdale and Joe Lawson carried the ruck. Rob Meddings, John Neal, Ian Haugh, John Clarke, John But-terworth defended well. Bill Thompson, Bob Salisbury created many chances up forward.

Thought for the week. "Some good players are temperamental. Are temperamental players good players?"

Did you see? Players wander from position. Peter Egan's pacy goal.

Algie Vosilatis offering advice to players as they moved about the dressing room at half time. Senior players giving moral support.

The sterling work of the defenders during first and third quarters. Phillip Reid's 4 strides for 10 yards.

The good form of the "young-uns".

The need to pull together, forget our grievances and all put our shoulders to the wheel to pull together the loose strings for success on and off the field.

Juniors Win Exciting Game Under Difficult Conditions

Although weather and ground conditions were far from perfect both Altona and Centrals were able to produce some good football, and a very exciting match, with Altona 15.11 to Central 12.9.

Altona started in great style with Cook and Flett roving strongly. Patton secured and brought up the first goal. This was soon followed by Pateras and Cook. The Centrals suddenly came to life and despite solid defensive efforts by Stevens and Bill Simmonds, they put on 3 goals. Strong play by Pateras and Patton brought another goal and Cook homed in for 2 more majors.

The Centrals came in strongly after quarter time and with many of their big men holding great marks with the slippery ball, were able to match Altona's pace and soon took the lead.

Flett revived Altona with a goal and with Kev. Walsh and Oram battling hard on the half-forward line, Flett was able to score again. The Centrals, now on top in the ruck, swept forward for 2 more majors and players left the field at half time with the scores equal on 8.4.

Zapart and Wilkinson were swung onto the ball in an effort to lift Altona's rucks. Clever handball allowed Thompson to break away and drive Altona forward where Stephenson kicked truly. Hardham was switched to a wing and was able to continue giving great drive. Flett and Stephenson both goaled late in the quarter leaving Altona with a narrow 4 point lead at orange time.

The Centrals with a slight assisting breeze sensed a victory but Altona had other ideas. Patton started the attack on the goals, soon to be followed by 2 from Stephenson. The Altona reserves were swung into the play, Sanfilipo adding bite to the ruck and Shannon battling on a forward flank. The siren sounded to end a great game.

Goals: Patton 4, Stephenson 3, Flett 3, Cook 2, Pateras 2, Shannon 1.

Best: Flett Hardham, Thompson, W. Simmonds, Patton.

AUSTIN MOLLOY
WRITES HOME

Last Sunday we played football in shocking conditions. Main offender was the wind, it was blowing a gale. Some of the wind gusts were 50 m.p.h.

Anyhow we won 10.10 to 1.7 and I was best again for Wollongong. We did not hear the umpire's votes but he was our umpire so I might stand a good chance of being best on the ground again.

I am still being played in the centre.

I like the position a lot and as such am playing the best football I have ever played.

Everyone is trying to get me to stay but I think next Sunday will be my last game with them.

After a tour next week of the steel works at Port Kembla we are leaving for Canberra, then Queensland.

Geoff (Cresser) had a bit of bad luck last week, he fell out of the top bunk in our cabin and hurt his side. About five days later he was at work and as he stood up suddenly his rib went crack and broke.

At hospital, they strapped him up and sent him home. Don't worry, he is OK now, he is as good as new.

Last Monday Geoff had a letter published in the Sydney Morning Herald — he was thrilled and so were we.

Geoff and I (Max had to work) toured the local electricity producing plant.

At Kiama I got some fantastic action shots of surf pounding on to rocks jutting into the ocean and we visited a lookout overlooking the district.

On the way we saw a snake and I shot it. Blew its head off with my shotgun, it didn't stand a chance.

That's about it for now folks, next stop looks like Brisbane.

SUNDAY DANCE
FOR TEENAGERS

Young people in Altona with nothing to do on a Sunday would be very welcome at a dance in Footscray, held every Sunday afternoon from 2-5 p.m., at the Federal Hall.

The dance is called "The Red Horse" and is run by the committee of the Footscray Marching Girls. It is well organised, no pass-out tickets are issued during the dance, and a good afternoon is always enjoyed by the large number of young people who attend.

RON SAYS: "KEEP UP GOOD WORK"

Dear Altona Star readers, congratulations to whoever is doing such a fine job in keeping the S.S.S. colours flying.

I feel proud to have started something which looks like becoming part of Altona for some time.

I read with interest the letter from Danny "Nomad" Johnston who is certainly covering a bit of ground on his round-Australia trip.

Geoff Cresser who (with Max Nicholls and Austin Molloy) is also travelling the continent has been corresponding with me for some time.

Max, Geoff and Austin were in Wollongong (NSW) at the last time of writing (22/5/68).

By the time you are reading this I hope to be enjoying my first leave (4 days) after 5 weeks in the Army.

At the moment I'm probably the worst shot in the Australian Army but never mind the rope climbing isn't so hard.

During a recent P.T. lesson every recruit had to box with a partner for about 2 minutes. When my turn came I just punched blindly and hoped for the best. Consequently I have to fight again — against fellows from another platoon and now I'm wishing that I hadn't done so well.

The standard of fitness required by the army is fairly high but few recruits fail to pass muster.

Hope to see some of you around Altona this week.

Until then keep up the good work.

— RON COLEMAN.

"HIGH TIDE AND
GREEN GRASS"

"High Tide and Green Grass" will be a weekly column which shall endeavour to expand the thoughts and activity of the youth of today. It will essentially be a thought provoking and cultural column.

The basic aims are to cover what youth should be thinking about and what fields youth should be active in. Each week there will be information which will help both students and workers. This information will take the form of career guides, educational guides and cultural guides.

On the cultural side, I plan to review the live theatre, literature, art, music and films. This will consist of the analysis and recommendation of entertaining and thought provoking works.

On the educational side I plan to give a run down of extra-curricular activity which will help to make the student's life more interesting and more expansive.

Next week it is planned to start in earnest so your co-operation and support will be looked forward to.

"THOUGHT FOR THE
WEEK"

"Have more than thou showest.
Speak less than thou knowest.
Lend less than thou owest.
Ride more than thou owest.
Learn more than thou trowest.
Set less than thou throwest.
Leave thy drink and thy where.
And keep in a door.
And thou shalt have more
Than two tens to a score."

— Shakespeare, Lear Act 1.

Please don't take this page too seriously. Its spirit is expressed in the by-line "Ithuriel with his spear touched lightly."

And the light touch is that we want nothing deep enough to hurt or to give anybody a swelled head.

We would like to regard the young people of Altona as one big family (some family) and for that reason we don't bother about surnames — generally we use abbreviated first names.

If your Christian name is used and you don't know if you are meant either for good or bad — well, if the cap fits wear it.

This page is by young people for young people. It mainly deals with entertainment and social activities and of course the young people themselves.

Now and again we will have a dig at the other generation. But this is our page — they can have the rest of the paper.

Hockey Teams Improve Positions

In a disappointing game, B North Altona team narrowly defeated O.E.G. 2-1.

Although a six-goal better side, Altona were reduced to the level of the opposition by their "niggling" and inability to continue to play hockey under adverse conditions. Shane Cronin was first to score followed by Allan Challis, who played well at left wing.

The team is now poised to take a position in the four, having defeated the fifth and sixth teams in consecutive weeks.

B South played the top team Camberwell, on the cinders at Matlock Park and put up a very creditable performance to hold the undefeated leaders of this competition to a narrow margin, 0-1.

All players contributed a good game although special mention should be made of G. Blunt at centre half and M. Cibert at left half, who kept the opposition centre forward and right winger respectively, out of the game. Also to George Shields in goals who made some magnificent saves.

D South drew with Old Melbourne 0-0 playing at Fawkner Park in an enjoyable game. The Altona forwards repeatedly took the ball into the scoring zone, but for the second week in succession were unable to capitalise on the opportunities because of over anxiousness and fumbling play in the circle. The defence played well, through the agency of goalie R. Metselaar and C. Turner who repeatedly turned back the opposition forwards.

If this team wins the next two games convincingly they will be sure of a place in the four, so it is up to the players to show some real action and show there's a lot of life in the old boys yet.

Best: C. Turner, J. Grant, R. Metselaar.

Altona D North, at home, met previous premiers team, Essendon and defeated them 1 goal to nil.

Fast, open play was a feature with both teams sharing control of the ball, Altona perhaps aided by an extremely strong cross wind. For the most part, Altona attacked more readily and more often, but backing up and defences were not that tight, as often the ball was just as capably cleared well downfield by Essendon.

After numerous opportunities and tries, both had failed to score at half-time. After the change, play fluctuated between both forward lines, but it was noticeable that Altona were more positive in their attack, aided by the good play from the right wing.

Towards the end Altona's teamwork came into its own and players combined well making every move dangerous to the opposition and forcing them to play a defensive role.

After a roll-in, and with the scoring area crowded with almost the entire Essendon team, a strong hit toward goal managed to find its way through the throng of players and roll into the net, to be deemed a goal. Sixty seconds later the game was over.

Goal: Rob Waters.
Best players: Right half, T. Findlay, right wing, Keith Waters.

The Under 16 team defeated R.H.S.O.B., 3-1. Brian Smith, controlling the centre of the ground, kept the forwards in attack throughout the game. Reservoir made scoring very difficult by packing the circle in defence, with the result that the two goals by R. Pratt and 1 by R. Lukoszek were forced home by consistent pressure. The team greatly appreciated the supporters who braved the bleak, windy conditions to cheer them on.

The Under 14 team defeated Essendon, 12-0. Playing a less experienced team, Altona went onto the field determined to win and soon had Essendon at their mercy. Although inaccurate shooting lost many goals, nevertheless Altona had 6 goals on the board by half-time.

In the second half the A's looked like a team and due to good calling by centre half Greg Richardson, a further 6 goals were scored, showing that good calling can turn an eleven man side into a team. Bruce Cronin at inside left gave a good game

and passed the ball well amongst the forwards to create many of the scoring shots.

Goals: J. Forrester 5, B. Cronin 3, C. Bruce 3, G. Richardson 1.

Best: G. Richardson, B. Cronin.

Having lost their two previous matches, the Under 12 team came back with fighting spirit to topple the premiership ladder leaders, Essendon, 2-0.

It was a humiliating defeat for Essendon as 7 members of their team had been nominated for the interstate side.

The loss of R. McCauley from centre half, injured, was well covered. Jeff Studley scored both goals with good ball control and position play. Congratulations to all the lads for an excellent game.

The home game on Saturday, June 8, at Grant Reserve, Civic Parade, is the Under 16 v. Fairfield at 9.15 a.m.

The Altona Cup Carnival will be held at Elsternwick Park on Saturday, June 8, at 1.15 p.m. There are no senior home and home games this week-end.

Altona's team will be chosen from A. Baillie, D. Bartlett, A. Challis, S. Cronin, J. Hunter, P. Hunter, W. Lenysen, R. Lukoszek, E. McCauley, B. Smith, R. Smith, R. Verity, R. Byrne, G. Blunt.

First game is at 1.15 p.m. and cars will leave the ground at 12.10 p.m.

Members are reminded about the dinner dance being held on July 6. Tickets can be obtained from Mr. A. Fry, 25 Chifley Avenue, or Lionel Smith, Queen

LABORATORY TECHNICAL ASSISTANT

Applications are invited for appointment as a Technical Assistant in our laboratory. (Assignment to a laboratory day afternoon shift will be made after appropriate training).

Duties involve mixing of vulcanizing ingredients into raw rubber to produce test mixtures which are then cured and examined for their physical properties. Experience in laboratory procedures would be an advantage.

The rates of pay, excellent pension plan, modern air-conditioned laboratory, plus subsidised cafeteria and active social club, make this a very worthwhile appointment.

Please apply in writing to T. R. Malcolm, Employee Relations Officer, or telephone 399 2333 for further particulars.

SHIRE OF ALTONA

Notice for Special Order of Making By-Laws Nos. 39 and 40

Notice is hereby given that at a meeting of the Council of the Shire of Altona, held in the Council Chamber, 115 Civic Parade, Altona, on May 27, 1968, the Council resolved to make By-Laws as follows:

By-Law No 39 — Library (Amending) By-Law

For the purpose of amending By-Law No. 28 Altona Public Library By-Law, by providing that Registered Readers shall include:

- "(a) Any non-resident attending an educational establishment in the Municipality, and not being less than five years of age, who is recommended in writing by the Principal of such establishment, and
- (b) Any person not eligible under paragraphs (a) to (g) of By-Law 28 who is approved by the Librarian and pays such annual subscription as the Council may from time to time determine."

By-Law No. 40 — Building (Sites Flats Car Parking) By-Law.

for the purpose of:

- (a) Prescribing the minimum areas, depths and widths of frontages on which houses and flats may be constructed;
- (d) Prescribing a maximum number of four walls of any house or flat from the frontage;
- (c) Limiting the height of buildings of Class II and Class III occupancy to two flats including the ground storey;
- (d) Prescribing a maximum number of four flat units for a building or buildings of Class II occupancy;
- (e) Specifying areas for off-street accommodation for stationary vehicles;
- (f) Repealing By-Laws Nos. 10 and 15 of the Shire of Altona;
- (g) Prescribing penalties for breaches of this By-Law and for other purposes.

Such By-Laws will have force and effect within the precincts of the Shire of Altona.

Notice is hereby given that a meeting of the said Council will be held on 24th day of June, 1968, for passing the above By-Laws for confirmation.

Copies of the proposed By-Laws have been deposited at the Civic Offices, 115 Civic Parade, Altona, and are open for inspection during office hours.
